Wrap around care: Positive about move to Funtastic. Conversations about move to second session of afterschool club following clubs seems to have been resolved

Confirmed fine for children to go straight from clubs to second session. In the future will try and make sure all clubs finish at 4.15

Volunteering: Parents who had volunteered for library visit were not told they weren't needed, or were told they were on the list but on the day told they weren't needed, having made arrangements for work/childcare. Comms for Windsor Castle trip seem to have improved. What is the criteria for parents being selected for a trip?

SH will feedback to admin team and check on criteria, but thinks its first come first served
